ANTD • Cognito • CSS • Git • GitHub • GitLab • GraphQL • HTML • JavaScript • JIRA • Next.js • React • Redux • Svelte • Tailwind • TypeScript

Projects

MeMantra Wellness Patiala

<https://memantra.in/>

MeMantra Wellness offers personalized, science-backed nutrition through its chain of specialized diet clinics.

- Built a real estate management platform using Svelte, Tailwind CSS, Prisma, and TypeScript.
- Empowers brokers and admins to seamlessly manage organizations and day-to-day operations.

Keylr Mohali

A service platform designed for property managers, offering seamless management of commercial and residential operations

- Built this platform with Next.js, TypeScript, Tailwind CSS and Ant Design for property managers
- Integrated Google Maps into this, allowing tasks to be created, tracked, and managed directly on the map for seamless location-based workflow.

Inverse Mohali

A platform that enhances business efficiency through expert project management and recruitment outsourcing, securing top talent and supporting development through job placements

- Developed Inverse platform using Next.js, MUI, AWS Cognito, Tailwind CSS, and TypeScript
- Provides hassle-free services, real-time data, and actionable reports
- Secures top talent and supports development through job placements
